

INDEX 1992 INDEKS

Compiled by Penny Schweitzer and Johanna de Beer

INTRODUCTION - INLEIDING

The index to **The Cape Librarian** is compiled only in English as a bilingual index would double the work and size. Die indeks van **Die Kaapse Bibliotekaris** word slegs in Engels saamgestel, aangesien 'n tweetalige indeks die werk verbonde aan die opstel van die indeks en die grootte daarvan sal verdubbel.

ARTICLES - ARTIKELS

- Articles are indexed under author and subject as well as under the column in which they appeared./ Artikels word volgens outeur en onderwerp geïndekseer en ook die rubriek waaronder dit verskyn het.
- The entries are alphabetically arranged./ Die inskrywings word alfabeties gerangskik.
- Subject entries are given in English only./ Onderwerpsinskrywings word slegs in Engels aangedui.
- Articles on authors, artists, composers, et cetera, are indexed under the heading relating to the person and followed by his/her name, for example: **Authors: Elisabeth Eybers.**/ Artikels oor skrywers, kunstenaars, komponiste, ensovoorts, word onder die opskef wat betrekking op die persoon het, ingeskryf, byvoorbeeld: **Authors: Elisabeth Eybers.**
